

COOL OMEGA 40+

PRODUCT CODE: 9004

FORM: Pellet

APPLICATION: High in Omega 3 & 6 fatty acids, Cool Omega 40+™ is a pelleted coat conditioner for improving body condition and performance. Its unique blend of fat and all natural proteins are designed to meet the requirements of peak performance horses without the negative impacts of increased grain feeding such as digestive upset, colic and founder.

FEEDING DIRECTIONS:

Feed at 2 oz. per day to enhance skin and coat condition. For an increased improvement in body condition, feed at a rate of 4 oz. per day, mixed in with the grain portion of the diet. Horses with high activity or stress levels can be fed up to 8 oz. per day.

Start to Finish:

Start to Finish provides a line of products that:

- ✓ Provides unique products that meet specific equine nutritional needs
- ✓ Complements, rather than interferes with, well-balanced feeding programs
- ✓ Will earn your trust, based on performance!

Start to Finish equine products combine the specialty manufacturing and distribution strengths of MSC with the equine nutrition expertise of Dr. Stephen Duren and Performance Horse Nutrition. We are committed to bringing you the most advanced, highest quality specialty equine products available anywhere.
